

## Recording

### Tabs:

- Home Page w/ group concept and creation
- Characters
  - o Grid like structure
  - o Maybe having alternating placement of the character images
  - o Light mode: normal version
  - o Dark
- Songs
  - o Include song element on the page itself (maybe for most popular song or short segment of each song)
- Merchandise
  - o Products and captions in a grid
  - o Archive
  - o 10-20 items
- Other multimedia stuff
  - o A list, one after the other
    - Representative image
  - o Icon used to separate each section

### Navigation

- Beatcats logo at the very top
- Maybe lines to separate the navigation bar
  - o Pretty simple

### Content placement:

- White in the center w/ decoration on the sides
  - o In mobile view, that would disappear
- Copyright yr at the footer

### Structure similar to a fan wiki page

### Visuals:

- Images of each member
- Decorate, polka dots, bows, line-art
- Minimal to no use

Playing w/ light and dark mode
